KTТА Essay Question (maximum 500 words):

Education provides the opportunity to inform and expand one's worldview, and to work with diverse individuals and communities. Please describe an experience or project when you worked with individuals or groups with different social identities (such as gender, social class, ability, race, religion, politics, sexuality, education) or beliefs than you. Why was this experience important, and what will you do with the understanding(s) you gained from it?
